G.O.No. 1000, 30th March 1948.

Pay - Indigenous Systems of Medicine - 'B' class Medical Practitioners in institutions of Indian Medicine under local bodies - Refixation of scale of pay - Orders passed.

Order - No.1000, P.H., dated 30th March 1948.

In July 1946, the Government abolished the distinction between 'A' and 'B' class practitioners of Indian Systems of Medicine and in Memorandum No. 36715/46-9, Special (L.A), dated 8th February 1947, they fixed a common scale of pay of Rs. 80-5-150 for both the classes of the practitioners. Since then the Government have in G.O.No.3042, P.H., dated 9th September 1947, restored the distinction between 'A' and 'B' class practitioners. They have now decided that 'B' class practitioners should be granted pay in the scale of Rs. 70-3-85-5-100.

2. The above orders will take effect from 1st November 1947 in the case of all local bodies (excepting the Tiruvannamalai, Walajapet, Cuddapah, Ongole, Bodinayakkanur Negapatam, Bimlipatam and Chicacole Municipal Councils). In thesecases, i.e., the cases of all local bodies except these eight municipal councils, pay in the new scale Rs. 70-3-85-5-100 will be fiexed as follows:-

If the existing pay of the incumbents ~~fenees~~ conforms to any stage in the new scale of pay, it should be fixed at that stage. If the existing pay of any incumbent exceeds any stage in the new scale of pay, his pay should be fixed at the next stage below that pay and he should be given personal pay equal to the difference, the personal pay being absorbed in future increments. If the existing pay exceeds the maximum of the new scale of pay, it should be fixed at the maximum and he should be given personal pay equal to the difference. The existing incumbents may be permitted to count for increment in the new scale of pay, their continuous service from the date of last increment of rise in pay, subject to the condition that such service is limited to a maximum of service require for earning one increment in the new scale.

3. The eight excepted municipal councils referred to in paragraph 2 above shall grant to the 'B' class practitioners of Indian Medicine, if any, in their employ, the revised scale of pay sanctioned in this order, viz., Rs. 70-3-85-5-100, with effect from 1st April 1948, i.e., the date on which the general staff under them will be paid the revised scales of pay. The fixation of pay of the existing incumbents should be regulated in accordance with the instructions in paragraph 3 of G.O.No.2046, L.A., dated 10th December 1947.
